Why do sailors choose to Dry Sail at Shepards Marina?

Shepards Marina is the Isle of Wight's premier Dry Sailing Centre and specialises in providing Dry Sailing Packages for day class yachts, RIBs, motorboats and trailered keelboats. We have a dedicated Dry Sailing Coordinator and an experienced and friendly team to look after your vessel. There is a 7 days-a-week lifting service to ensure you can get your boat in and out of the water whenever you wish to.

How do I book a lift and launch?

Please contact the Marina Office on 01983 297821 or shepards.chc@cowes.co.uk to give us at least 24hrs notice of your lifting and launching request. However, we will always endeavour to help if you need to book crane services at short notice.

What do I need to know about the Dry Sailing basin?

The dry sailing basin is for the exclusive use of our Dry Sailing customers.

Where can I change before and after sailing?

You are welcome to use the unisex changing rooms for Dry Sailing customers, which are located next to Solent Sails, see the Marina Site Plan.

Do you offer winter storage and other boat services?

Yes, we offer tailored winter storage options in our secured yard and a bespoke winter boat care service.

We offer a range of boat services including anti-fouling, polishing, cleaning, anode changing, and prop polishing. For jobs we can't take care of in-house, we have selected sub-contractors that we are happy to arrange to carry out work on your boat, or you are welcome to instruct your own.

Are there any marine trades operating from Shepards Marina?

Yes, in addition to the full marina facilities, there are several independent marine businesses based on-site; The Basque Kitchen (restaurant), Solent Sails (sail maker and repairer), Island Divers (PADI Five Star IDC and commercial divers), Salty Sailing (sailing school), and Right UK (rigger).

QUICK ACCESS TO THE SOLENT IDEAL FOR RACING YACHTS
REDUCE SALT WATER CORROSION NO NEED FOR ANTI-FOULING
LOWER MAINTENANCE COSTS IMPROVED RE-SALE VALUES

TRAFFIC LIGHT SYSTEM

For safety reasons, the marina uses a red, amber, and green "traffic light" system as shown:

-  **RESTRICTED AREA
DO NOT ENTER**
-  **CAUTION BOAT MOVEMENTS**
-  **WALKWAYS & SAFE AREAS**

ONSITE BUSINESSES

 **THE BASQUE KITCHEN**

 **ISLAND DIVERS**

 **SOLENT SAILS**

 **SALTY SAILING**

 **RIGIT**

SHEPARDS MARINA TRAFFIC LIGHT SYSTEM

As shown in the key above and on our site plan to the right, we operate a "traffic light" system to ensure the safety of our customers and the general public who visit our site:

- The **RED** area is a restricted area – strictly no access without permission from the Marina staff.
- The **ORANGE** areas indicate that you should proceed with caution, as there may be forklift and tractor movements. Please do not park in these areas while lifting operations are in progress.
- The **GREEN** areas show the safe pedestrian routes around the Marina Yard to the pontoons.
- If you want to watch your vessel being lifted, you are welcome to stand in the dedicated customer viewing area near the crane.

DRY SAILING GUIDELINES

Marina access

- When bringing your boat to the Marina at the start of the season, vehicle access is round behind Salty Sailing. If you would like some assistance with bringing your boat in to the Yard, we can open up the main entrance gate on Medina Road.

Parking

- Please use the marked parking areas provided. Parking spaces are limited but additional, long stay parking is available at the Brunswick Road Car Park near Shepards Marina.
- No overnight parking is allowed at the Marina.

Preparing your boat for lift and launch

- Please remove all sails from your vessel prior to lifting or launching.
- We request that no persons are to be aboard your vessel for movements in the Yard, lifting and launching.

Dry Sailing marina basin

- Please note that at busy times your boat maybe berthed anywhere within Shepards Marina if needed.

Codes

- The Marina Office will give you the codes for the entrance gate, toilets, showers and free Wi-Fi.

Electricity and water

- Electricity is included in all Dry Sailing Packages.
- Water is freely available on all pontoons and around the Yard. Due to health and safety requirements customers are requested to provide their own hose.

Waste and recycling

- Waste bins are provided for general waste and recycling, but no oils or other contaminants.

CCTV security

- For your peace of mind, CCTV covers the whole Marina site, 24hrs a day.
