

ANNUAL MOORINGS LOCATION CHARTLET

Main Harbour Swinging Moorings

Licensed for 12 months for cruiser class vessels and seven months for day class vessels (XODs, Dragons, Darings etc) giving annual moorings with easy access to the Solent. Maximum LOA 12m.

Main Harbour N Row Swinging Moorings

Drying moorings suitable for RIBs and small motorboats with lifting outboards. Maximum LOA 6m.

Cowes Harbour Shepards Marina

Shepards Marina is a popular marina offering affordable annual berthing. The walk-ashore berths are supplied with water and electricity, free Wi-Fi, toilets and shower facilities, and site-wide CCTV. Maximum draft 2m.

Whitegates Pile Moorings

One of two areas of pile moorings for annual berths on the River Medina. This row is at Whitegates, immediately south of the Chain Ferry on the east bank. Maximum LOA 13m. Maximum draft 2.5m.

Whitegates River Pontoons

These mid-stream pontoons are conveniently located between the Chain Ferry and Medina Wharf and are only five minutes from the entrance to Cowes Harbour, offering annual moorings with easy access to the Solent. The pontoons are only accessible by tender or water taxi and are not supplied with electricity or water. Maximum draft 3m.

Whitegates Walk Ashore Pontoon

Semi-tidal mud berths for small vessels and tenders. Fore and aft moorings with ladder access to walkway. Only suitable for vessels which can fully dry out. Maximum LOA 6.5m.

Folly Reach Swinging Moorings (Medham)

Swinging annual moorings, on the west side of the fairway, opposite No. 10A beacon. Maximum LOA 12m. Maximum draft 2m.

Folly Reach Pontoons

Very popular river pontoons in the scenic Folly Reach area, offering annual moorings with easy access to the Folly Inn and only 15-25 mins from the Solent. The pontoons are only accessible by tender or water taxi and are not supplied with electricity or water. Maximum draft 2.5m.

Folly Reach Swinging Moorings (West)

Drying swinging moorings on the west side of the fairway suitable for RIBs, small motorboats and bilge keel sailing yachts. Maximum LOA 7.5m.

Folly Reach Swinging Moorings (East)

Semi-tidal swinging moorings on the east side of the fairway. Suitable for RIBs, small motorboats and bilge keel sailing yachts. Maximum LOA 7.5m.

Folly Reach Pile Moorings

One of two areas of pile moorings for annual berths on the River Medina. This row is opposite the popular Folly Inn. Maximum LOA 10m. Maximum draft 1m.
