

# Vessel Hire

All of the Cowes Harbour Services vessels can be hired for private charter and are regularly employed on a wide range of tasks throughout the year.

If you think that we may be able to assist with any project that you have, please do not hesitate to [Contact Us](#).

## ***Seaclear***

Our main workhorse at Cowes Harbour Services is our 16.6m Multi-Cat vessel *Seaclear*.

- Main Engine(s): 2 x Doosan L136TI Turbo Charged
- Propulsion: 2 x 800mm propellers in RICE nozzles
- Service Speed: 7.5kts
- Bollard Pull: 6t
- Winch: RAPP hydraulic 10 Tonne split drum
- Deck Crane: 30t/m ACB 3004BS HIAB
  - 15t @ 1.85m
  - 2.2t @ 12.4m
  - 1.5t @ all radii on wire winch

***Seaclear***

*Seaclear* specialises in the laying, servicing and recovery of moorings and buoyage, and the Multi-Cat is also available for charter to carry out marine contracts including bed levelling and marine salvage. A 28 tonne deck cargo capacity enables *Seaclear* to offer excellent transportation and logistic support capabilities.

## Harbour launches

Cowes Harbour Services has a variety of launches available for hire with a fully qualified coxswain. Contact [msm.chc@cowes.co.uk](mailto:msm.chc@cowes.co.uk) to discuss your quote.

*HM1* is a heavy duty 9m aluminium jet RIB, featuring a 4.55m<sup>2</sup> flush deck with a track system. The RIB is capable of towing and pushing small vessels, fast escort, patrol, observation, or filming operations.

*HM2* is a 10m RIB with a 225hp inboard diesel engine, ideal for towing small vessels, fast escort, patrol, observation, or filming operations.

CHC *HM1* Patrol RIB

**HM2 RIB**

Two 21ft 'Duver', general workboats, suitable for local charter carrying out surveys, patrol work or even harbour tours.
